KARIBU

'Safari' is a Swahili word which means journey in its original translation, but over time it has come to mean so much more. Going on safari means actively contributing to African economies, funding wildlife conservation and supporting local communities. The economic benefits of tourism in Africa reach far and wide, from farmers to fishermen and entire communities through trade and employment.

We invite you to experience the magic of safari with us, the original pioneers. Established in 1969, Bench Africa was the very first Africa travel specialist in Australia, and over half a century later, we have mastered the art of the safari, continuing to exemplify our motto, "Excellence Through Experience". Each of our seasoned Africa travel experts has travelled to the farthest reaches of Africa, from big cities to rural villages, from vast rainforests to remote desert islands. Our mission is simple – to use this extensive insight to design beautifully handcrafted journeys across a continent filled with spectacular wilderness, unique wildlife and remarkable cultures. Furthermore, with offices in Australia, Kenya, and South Africa, Bench Africa is with you every step of the way.

With the release of our new brochure, we aim to inspire your next great adventure with a fresh twist on well-known destinations but also introduce you to remote regions in Africa that you may not yet be aware of – after all, these are often the areas that need support most of all, and the more travellers who venture on safari, the more significant the impact we can have on a local level.

We are grateful to everyone who has shared our 'safari' over the past 54 years, and we look forward to helping you embrace the road less travelled, safe in the knowledge that our team has journeyed that same road before you.

Karibu (welcome) to Africa!

Mike Kirkland
Chairman

EXPLORE AFRICA WITH BENCH AFRICA

Established in 1969, Bench Africa is Australia's oldest and most trusted Africa safari specialist. Our award-winning team of experts live and breathe Africa, so you can be safe in the knowledge that any experience booked with us will not only exceed your expectations but also benefit the cherished people and places that you visit on your travels.

ON LOCATION

With offices in Cape Town and Mombasa, we have experienced eyes and ears on the ground, an assurance that our packages and tailored itineraries are well researched and carefully considered. We will thoughtfully plan your dream itinerary, guaranteeing that you glide effortlessly through both the booking and safari experiences. It also means we can assist you in the same time zone when you're travelling in Africa so that you're always safe and supported.

THE BENCH TEAM

We appreciate that with the endless stream of information available to travellers today, it can seem like rather a daunting task trying to piece together a safari in Africa, and that's why our passionate, award-winning team of experts is standing by. We draw on our personal experiences to tailor make specialised itineraries for solo travellers, honeymooners, groups of friends and multi-generational families, as well as adventure seekers and those of you with special interests and unique requirements. Each member of our team has lived, guided, or travelled on the continent, and their extensive knowledge can genuinely amplify your safari experience.

CHOOSING YOUR SAFARI

The type of safari experience you choose will be personal to you. Considerations include the standard of accommodation, the style of travel, and the wildlife you hope to see. Kenya and Tanzania are both outstanding safari destinations, ideal for viewing the 'Big Five' (lion, leopard, rhino, elephant, buffalo) as well as the annual wildebeest migration. Combine a safari with luxurious accommodation and fine dining in South Africa or delight in the astonishing scenery in Namibia. Explore the many waterways of the Okavango Delta in Botswana or trek to see the endangered mountain gorillas in Rwanda or Uganda. Finally, the majestic Victoria Falls on the border of Zambia and Zimbabwe is the ultimate dramatic finale to any African itinerary.

WHAT TO EXPECT ON A SAFARI

No two safaris will ever be the same. Typically, you will wake at dawn and after a refreshing coffee, depart on your morning game drive, when the animals are at their most active. Return to your property for a revitalising breakfast before taking the opportunity to relax and enjoy the facilities. After lunch you will enjoy an afternoon game drive, returning to your accommodation after sunset for a delicious dinner.

PEACE OF MIND

Bench Africa is a member of CATO (Council of Australian Tour Operators #TO1008), an approved licensed Australian Wholesaler with AFTA (Australian Federation of Travel Agents), and ATAS accredited (#A10677). Furthermore, when travelling with Bench, you can have complete peace of mind knowing there is a 24-hour emergency phone with one of our experts on hand. Bench Africa is committed to meeting the travel industry's global health and safety Protocols based on guidelines published by the World Travel & Tourism Council (WTTTC).

ELEPHANT RATINGS EXPLAINED

Throughout the brochure, we have given each tour or experience an Elephant Rating for you to use as a guideline. This rating system differs slightly from the international star rating system. After all, how can you compare a five star city hotel in Australia with a game lodge in the heart of the Masai Mara? Therefore, in addition to the standard and service available at a property, our Elephant Rating considers the mode of travel, the safari experience, the exclusivity of the region and the level of participation involved.

QR CODES EXPLAINED

Each tour or experience within the brochure features a unique QR code designed to access additional information effortlessly. Scan the QR code with your smart device for seasonal pricing, a comprehensive itinerary, maps and more!

RESPONSIBLE TOURISM

We see tourism as a vital tool for protecting Africa's remarkable wildlife and culture, and at Bench Africa we pride ourselves on our approach to responsible tourism, upholding our values across our 'Big Five' pillars:

- Benchmark** – Our commitment to consistent, outstanding levels of service
- Empower** – Our Commitment to social wellbeing
- Nurture** – Our commitment to the welfare of the environment
- Conservation** – Our commitment to protecting Africa's wildlife
- Heart** – Our commitment to charitable giving

With these pillars in place, you can feel safe in the knowledge that you are visiting these extraordinary countries in Africa with the utmost respect, leaving the picturesque places as you might like to find them and ensuring that local communities benefit from your visit.

All Bench-owned safari vehicles in Kenya are carbon offset through a forest protection program with 'Wildlife Works', the world's leading REDD+ company. Bench Africa's carbon-offsetting contributions compensate for the unavoidable operational emissions generated on a road safari in Kenya, assuring minimal environmental impact.

With a responsibility to ensuring future development in Africa and to making a difference on the ground, over the years, Bench Africa has provided funding to numerous organisations devoted to the welfare of the African people, wildlife and environment. Amongst these are:

Rhino Ark is a charitable trust founded in 1988 to support conservation in Kenya.

The East African Wildlife Society is the voice of conservation in East Africa.

Swa Vana Children's Project in South Africa facilitates the right and ability of vulnerable and orphaned children to attain their full potential.

The Tsavo Trust assists the Kenya Wildlife Service in monitoring the big tusked elephants in Tsavo, home to 80% of the world's biggest tuskers.

New Hope Children's Home in Mombasa is home to abandoned or orphaned children.

TAILOR MADE SAFARIS

Why not consider your very own private safari? We have the flexibility to tailor a personalised trip to suit your needs, travelling when and where you wish and choosing from a range of small boutique camps and lodges 'off the beaten track'. No matter where you go you will still find elegance, ambiance and top quality service, ranging from luxury 'Out of Africa' styled tented safari camps to the larger game lodges and more moderately priced hotels.

RAIL JOURNEYS

Southern Africa is blessed by the legacy of comprehensive rail tracks left by former colonists, with a large network covering South Africa but also stretching into neighbouring countries and as far north as Tanzania in East Africa. Highlights include the Rovos Rail, referred to as 'The Most Luxurious Train in the World', and the South African travel icon, The Blue Train. With journeys from three to 15 days, why not consider incorporating a rail journey into your African experience.

SMALL GROUP TOURS

Bench Africa offers small locally escorted group tours in Africa, from weekly departures in East Africa, with a maximum of seven passengers, to those wanting to join a select group of only 12 guests in Southern Africa. Travelling with a dedicated professional, discover some of our favourite places and stay at exclusive properties in comfort and style. Rest assured you will be taken care of from the very moment you arrive until you depart with some truly memorable experiences.

HONEYMOONS

Africa is one of the most romantic continents in the world for honeymoons! Whether you want to find privacy in the African bush under mosquito nets, in a secluded tree top hideaway, be treated like royalty with private dinners on white sandy beaches lapping the Indian Ocean, or toast your life together with a glass of Champagne at the world renowned Victoria Falls, we can arrange it all, and leave you with memories never to be forgotten.

FLYING SAFARIS

Travel to Africa on a journey that is as exceptional as the destination. In Kenya, experience a unique combination of adventure, relaxation, service and culinary delights amid the African wilderness, on safari in our luxury Cessna Caravan taking you to some of Kenya's best National Parks and Reserves. With air-conditioning, personal intercom system and qualified safari guide onboard, this offers something very different to any other air safari in Africa.

FAMILIES

The popularity of family safaris to Africa is booming with parents and grandparents wanting their families to experience a fun-filled holiday with the added educational aspect of the animals, bush environment and African culture. In South Africa there are several malaria-free areas that add to the attraction of taking young children on safari without worrying about certain medication. Many of the lodges and camps throughout East and Southern Africa now welcome and cater for families.

SELF-DRIVE

Hiring a car in either South Africa or Namibia is much easier than you would expect. With a range of vehicles available and the ease of driving on the left, self-driving between areas gives guests the flexibility to move at their ideal pace and stop for sightseeing detours whenever desired. Tailoring an itinerary, a self-drive journey will allow you to make the absolute most of your holiday at an affordable price.

GROUPS

If you'd like to explore destinations with your family or a group of friends, Africa won't disappoint. There are a number of wonderful locations in Africa perfect for group travel. We specialise in arranging various types of packages for group travellers. We can craft a travel plan that's ideal for your 'herd'. You can choose from different types of travel itineraries, escorted or independent, photographic or special interest. We can also modify your package to cater to your specific needs.

A family safari can be tailored to one's own personal requirements. Speak to one of our consultants who can advise on the most appropriate safari for your family.

KENYA & TANZANIA

For sheer weight of numbers and species of animals and birdlife, the wildlife reserves of Kenya and Tanzania are arguably the world's best and most rewarding. The open grasslands offer excellent game viewing opportunities, and the phenomena of the annual migration of wildebeest and zebra between the Serengeti National Park in Tanzania and the Masai Mara Game Reserve in Kenya is one of the world's most remarkable sights.

HIGHLIGHTS

MASAI MARA GAME RESERVE

Undoubtedly the most famous game park in Kenya, the Masai Mara is home to the 'Big Five'. Between July and October each year the Great Migration occurs when millions of wildebeest travel north from the Serengeti plains in search of fresh pasture.

AMBOSELI NATIONAL PARK

Situated below Mount Kilimanjaro lies Amboseli National Park, covered by savannah and acacia scrub. Towards the centre of the park is a series of swamps fed by underground rivers running off the mountain, and it is here where the main concentration of wildlife occurs.

SAMBURU GAME RESERVE

Rugged and remote, the Samburu Game Reserve is physically dramatic with the Ewaso Nyiro River as a winding centrepiece. On either side of the river, a gallery of forest acacia acts as host to a multitude of birdlife with some of Kenya's rarer species.

SERENGETI NATIONAL PARK

This is one of the world's last great wildlife sanctuaries. It is here that the famous migration begins its legendary trek into the Masai Mara. The best time to see game is between January and February before the long rains occur from April to June.

NGORONGORO CRATER

The Ngorongoro Crater, a UNESCO World Heritage site, is the largest perfect caldera in the world. This outstanding wonder is only one of the attractions within a vast and diverse conservation area bordering the Serengeti National Park to the north and west.

HIGHLIGHTS OF EAST AFRICA

From **April to May** the herd migrates north into the Serengeti National Park and towards its Western Corridor and the Grumeti River. RWANDA & UGANDA

Although perhaps not as well-known for general wildlife viewing, Rwanda and Uganda are renowned for the absolutely unique experience of gorilla trekking and the prolific population of primates – many not found in other African wildlife regions. Both countries have a wide variety of general wildlife, with the Queen Elizabeth National Park being famous for its tree-climbing lions at Ishasha.

HIGHLIGHTS

VOLCANOES NATIONAL PARK

The Park is home to the dormant Virunga Volcanoes and a haven for the world's surviving mountain gorilla populations, for what is arguably the most memorable wildlife experience of all.

BWINDI IMPENETRABLE NATIONAL PARK

Home to about half of the world's population of the endangered mountain gorillas, this is one of the few large expanses of forest in East Africa where lowland and montane communities merge.

QUEEN ELIZABETH NATIONAL PARK

In the southern part of the park is Ishasha where there are tree-climbing lions and one of the largest surviving natural forests in Uganda.

KIBALE NATIONAL PARK

Kibale is one of the country's enchanting forested parks most noted for its primate population - chimpanzees, monkeys and baboons, with an abundance of birdlife.

LAKE MBURO NATIONAL PARK

Uganda's fourth national park, it is composed primarily of grassland, wetland, and acacia woodland habitats. At the centre of the park lies Lake Mburo with an excellent variety of wildlife.

GORILLA TREKKING IN RWANDA

The Parc National des Volcans in Rwanda offers one of the best locations for gorilla trekking with 10 habituated gorilla groups that you can trek to see. Starting in the cultivated land at the base of the volcanoes, the trek normally lasts a few hours. With just eight visitors allowed per gorilla family (80 gorilla permits are issued per day), it is important to book as early as possible. Once you reach the gorillas you are permitted to stay for one hour to view them. The minimum age for gorilla trekking in Rwanda is 15 years.

JORDAN EXTENSION: Why not consider an extension to Jordan or Oman - see our website for details.

TERMS & CONDITIONS

These Booking Conditions set out the terms on which you contract with us for the arrangement and delivery of travel arrangements for your trip. By making a booking with us, you acknowledge that you have read, understood and agree to be bound by these Booking Conditions. We reserve the right to change these Booking Conditions at any time prior to you making a booking request.

"You" and "Your" means all persons named in a booking (including anyone who is added or substituted at a later date). "We", "us", "our" and "Bench Africa" means Southern Cross Safaris Australia Pty Ltd trading as Bench Africa.

BOOKINGS

A booking request is accepted when we issue a written booking confirmation [and you have paid your deposit]. It is at this point that a contract between us and you comes into existence subject to these Booking Conditions. We reserve the right to decline any booking at our discretion. No employee of Bench Africa other than a director has the authority to vary or omit any of these Booking Conditions or to promise any discount, refund or credit.

SERVICES

The services we provide to you are limited to (a) the arrangement and coordination of your travel arrangements; and (b) the delivery of travel arrangements which we directly control. This includes (often significant) work undertaken prior to travel to arrange and coordinate the delivery of your travel arrangements.

PRICES & EXCLUSIONS

Prices stated are in Australian Dollars (\$AUD) and are current at the time of publication. The price includes accommodation, transportation and other inclusions as per the published itinerary. Typically, prices are based on two people travelling together. Solo traveller supplements may be applicable. Special offer pricing has already been applied to the website pricing displayed, unless it is stated otherwise.

International and domestic airfares, airport/hotel transfers, port taxes, city taxes and security charges are not included unless specifically stated. Costs associated with passports, visas, vaccinations, insurance, meals (other than those stipulated), emergency evacuation costs, gratuities, laundry, additional beverages and consumables and all items of a personal nature are not included.

PRICE SURCHARGES

We reserve the right to surcharge the cost of your booked travel arrangements prior to commencement for circumstances beyond our control such as currency devaluation, fuel or air fare surcharges, or the imposition of new or amended Government charges (i.e. VAT). Should this occur at any time until departure date, you will be notified as soon as possible, and regardless of deposit or total payment having been made, any increase is to be paid by the client. If such increase is unacceptable, the client may cancel the booking, though, in so doing, is still liable to pay any cancellation charges imposed by our suppliers. While every effort has been made to ensure prices are accurate, please use the brochure as a guideline only, as rates are subject to change.

We will not surcharge for currency fluctuations once full payment has been received by us.

DEPOSIT

A 25% deposit per person is required within 7 days (unless otherwise stated) of us accepting your booking. The deposit represents a fee payable to us for services associated with the processing and confirmation of your booking and any consultations on travel arrangements that we may provide to you. Because these services are provided as soon as we confirm your booking, the deposit is non-refundable other than where we cancel your travel arrangements for reasons other than Force Majeure (see below).

Please note that we may not hold any services for you until we receive payment of your deposit, meaning that services may become unavailable or prices may increase, in which case you will be responsible for paying the increased price, and we will not be responsible if services become unavailable.

LATE BOOKINGS

Bookings made within 30 days of travel from Australia will incur a late booking fee of AU\$100 and full payment will be required immediately.

BOOKING FEE

A booking fee of AU\$100 will be charged for arrangements such as hotels and car hire not forming part of a package with a minimum stay of three nights required.

FINAL PAYMENT

Payment in full must be received no less than 60 days before commencement of your trip. We are under no obligation to remind you of a payment becoming due. If we fail to receive a payment from you by the due date for payment in clear funds, then this will be deemed a cancellation by you (see below). Note: some trips may require payment (including full payment) earlier or in additional instalments and this will be advised with the booking confirmation.

For late bookings (bookings within 60 days of departure), full payment is required at the time of request. You acknowledge that we may not be able to confirm services, in which case we will provide you with a refund.

CANCELLATIONS BY YOU

Covid-19 credit redemptions

If: (a) we issued you with a credit due to your original travel arrangements being disrupted by Covid-19 and associated restrictions; and (b) you have redeemed that credit for new travel arrangements; then (c) you agree that we will not be obliged to refund you the value of the credit if you cancel your new travel arrangements.

If you cancel travel arrangements that have a value which exceeds the value of your credit (Excess Payment), then we will refund you the Excess Payment, less cancellation fees in accordance with the table below, calculated from the date which we receive written notice of cancellation:

More than 90 days before commencement: 25% of the Excess Payment

90 days to 60 days before commencement: 50% of the Excess Payment

Within 59 days or no show 100% of the Excess Payment

Some tours and arrangements may impose a higher non-refundable deposit - please check at time of booking. Note any Gorilla and Chimpanzee permits for tours in Rwanda and Uganda are to be paid in full at time of booking and are non-refundable. Final balance of payment must be received no later than 60 days prior to departure. We are under no obligation to remind you of a payment becoming due.

New or changed quarantine requirements

If after we confirm your booking: (a) new or changed quarantine requirements are imposed by government authorities either in a destination you are due to visit or in your home State or county and these remain in effect 60 days before commencement of travel arrangements booked with us; and (b) these new or changed quarantine requirements make it reasonably impractical for you to travel; then (c) you may give us written notice to cancel your trip not less than 45 days prior to commencement of the first arrangement.

If you cancel travel arrangements in these circumstances, then we will refund payments made by you less: (a) unrecoverable third party costs and other expenses incurred by us in relation to your travel arrangements; (b) overhead charges incurred by us relative to the price of your travel arrangements; and (c) fair compensation for work undertaken by us in relation to your travel arrangements until the time of cancellation and in connection with the processing of any refund.

Other Cancellations

You may cancel your booking by giving written notice to us. Cancellation must be received in writing and will take effect from the date received by Bench Africa. The following cancellation charges will apply:

• More than 60 days before departure: Deposit plus any instalments paid

• 60-49 days before departure: 40%

• 48-31 days before departure: 60%

• 30-0 days before departure: 100%

• a fee which is the greater of (a) AUD\$200 or (b) 5% of the booking value, to compensate us for processing the cancellation and any associated refund.

These charges can vary subject to the trading terms of our suppliers as some do impose higher cancellation fees on certain tours. The non-issuing of an invoice or non-payment of deposit will not exempt clients from these cancellation and administration fees. We regret we can make no exception to the charges and strongly recommend that comprehensive travel insurance is taken out at time of booking to cover cancellation fees.

Cancellation fees and charges will not exceed payments received by us at the time of cancellation. If after the application of these fees and charges there is a surplus of payments you have made to us, we will refund this to you within a reasonable time.

You agree that these cancellation fees and charges are reasonable and required to protect our legitimate business interests.

Any payments we have made to third parties will only be refunded to you once we have deducted the above cancellation fees and charges and once we have actually recovered the amounts from the third parties. We will use reasonable endeavours to recover third party payments, but we make no guarantee that we will be able to make recoveries. For group departures, a transfer of a confirmed booking to another departure date is deemed to be cancellation of the original booking.

ILLNESS OR VACCINATION STATUS PREVENTING TRAVEL

If due to any illness, suspected illness or failure to satisfy any required tests (such as a PCR or rapid antigen test in relation to Covid-19) or vaccination requirements:

an airline or other common carrier refuses you carriage;

a hotel or vessel refuses to accommodate you; or

we or our suppliers (acting reasonably) exclude you from the trip

and you are consequently prevented from commencing or continuing your trip, then:

if you have already commenced your trip, we will provide you with reasonable assistance to arrange alternative travel arrangements or to continue the trip. This will be at your cost.

if you have not commenced your trip then we regret we will not be in a position to provide such assistance.

We will not be liable to refund the cost of your trip (or any part of it) because we would have already paid (or committed to pay) suppliers and we would have already performed significant work preparing for the delivery of your trip and servicing your booking.

We will not be responsible for any other loss or loss you incur in connection with your booking (for example, airfares and visa expenses) if you are prevented from commencing or continuing your trip in these circumstances.

CANCELLATIONS OR RESCHEDULING BY US

In these Booking Conditions, the term Force Majeure means an event or events beyond our control and which we could not have reasonably prevented, and includes but is not limited to: (a) natural disasters (including not limited to flooding, fire, earthquake, landslide, volcanic eruption), adverse weather conditions (including hurricane or cyclone), high or low water levels; (b) war, armed conflict, industrial dispute, civil strife, terrorist activity or the threat of such acts; epidemic, pandemic; (d) any new or change in law, order, decree, rule or regulation of any government authority (including travel advisories and restrictions).

Force Majeure - Prior to travel

If in our reasonable opinion we (either directly or through our employees, contractors, suppliers or agents) consider that your travel arrangements cannot safely or lawfully proceed due to a Force Majeure Event then we at our discretion may elect to:

reschedule your travel arrangements (in whole or in part); and/or

cancel your travel arrangements (in whole or in part), in which case our contract with you will terminate (in whole or in part).

If we cancel any of your travel arrangements, neither of us will have any claim for damages against the other for the cancelled arrangements. However, we will refund payments attributable to the cancelled travel arrangements less: (a) unrecoverable third party costs and other expenses incurred by us for the cancelled travel arrangements; (b) overhead charges incurred by us relative to the price of the cancelled travel arrangements; and (c) fair compensation for work undertaken by us in relation to the cancelled travel arrangements until the time of cancellation and in connection with the processing of any refund.

Force Majeure - During travel

If due to Force Majeure we cancel travel arrangements after your trip has commenced, we will provide you with a refund of recoverable third party costs for cancelled travel arrangements only.

Force Majeure – General

If we provide you with any alternative services or assistance where travel arrangements are cancelled or rescheduled due to Force Majeure, then you agree the amount to be refunded to you will be reduced by the value of these services and assistance.

You acknowledge that the terms in this section are reasonably necessary to protect our legitimate business interests. We strongly encourage you to purchase travel insurance that adequately responds to cancellation and rescheduling risks associated with Force Majeure events.

Other cancellations

If we cancel your travel arrangements for reasons other than Force Majeure, you will be offered (at your election) a refund of all funds paid, or the offer of a trip of substantially equal quality if appropriate.

We will not be responsible to you for any other expenses or loss you incur if your travel arrangements are rescheduled or cancelled whether or not due to Force Majeure.

AMENDMENTS BY YOU

We will endeavour to accommodate amendments and additional requests. You acknowledge that these may not be possible to fulfil, and for group departures a transfer of a booking to a different departure is deemed a cancellation. An amendment fee of \$100 will be levied to cover communication and administration costs for any changes to bookings. You will also be required to pay any additional costs charged by suppliers.

AMENDMENTS BY US

Prior to travel

Occasionally, we may need to make amendments or modifications to the itinerary and its inclusions and you acknowledge our right to do this. If we become aware of a significant change to your itinerary or its inclusions prior to the commencement of your trip (where the trip can still proceed), then we will notify you within a reasonable time.

During travel

You acknowledge that the itinerary, modes of transport, accommodation and/or the trip's inclusions may need to change during your trip due to local circumstances beyond our reasonable control, including road conditions, poor weather, changes in transport schedules, and/or vehicle breakdowns. You agree that we have the right to pass on any costs that we incur for airfares, visas or any other expenses as a result of any amendment or change to the tour itinerary that we put in place for your benefit in these circumstances.

General

To the fullest extent permitted by law, we will not be responsible for any omissions or modifications to the itinerary or the inclusions due to Force Majeure or other circumstances beyond our control happening after we have accepted your booking. This includes any loss of enjoyment or distress caused by omissions or modifications.

If you are entitled to any compensation for any modifications or omissions, then you agree it will be reduced by the value of any alternative services we provide which you accept.

We will not be responsible to you for any other expenses or loss you incur resulting from any amendment or change to the itinerary or its inclusions.

TERMS & CONDITIONS

UNUSED & DENIED SERVICES

No refunds will be made for any travel arrangements not utilised, whether by choice or because of late arrival or early departure. This includes the failure of transport to operate according to schedule, which we disclaim responsibility for. No refund is given for any partially or wholly unused services/tour inclusions. No overseas supplier or associate is authorised to promise a refund on behalf of Bench Africa.

If you are not fully and validly vaccinated against Covid-19 in the destination(s) where services are to be provided, and particular suppliers refuse to provide you with travel arrangements, then you agree you will not be entitled to any refund for those arrangements. We will not be responsible to you for any loss or expenses you incur (including loss of enjoyment or the costs of alternative arrangements) if you are denied services in these circumstances.

CLIENT NAMES – EXACTLY AS PER PASSPORT

For security reasons, airlines and our overseas suppliers require names to be given exactly as stated in your passport. If you do not advise the correct information and we have to re-issue airline tickets or other documentation, then you will be responsible for any fees charged (such as airline cancellation charges or re-issue fees) in addition to our own reasonable administration fees.

TRAVEL INSURANCE

It is strongly encouraged that you are adequately insured for the duration of your trip. We recommend comprehensive travel insurance to cover cancellation, medical requirements, luggage, repatriations and additional expenses. The choice of insurer is yours. We strongly suggest you purchase insurance at the time you pay your deposit. This is because cancellation fees and charges are payable from that time.

ACCOMMODATION

We reserve the right to substitute hotels, vessels and other forms of accommodation with properties or vessels of a comparable or higher standard.

PASSPORTS, VISAS

It is a requirement that you hold a valid passport and any required visas for your trip. It is your responsibility to ensure that you are in possession of the necessary documentation to comply with the laws and regulations of the countries to be visited. Passports must have a validity of at least 6 months longer than your intended stay overseas.

VACCINATIONS

We strongly encourage you to be fully vaccinated against Covid-19 with a vaccine approved by the Therapeutic Goods Administration. This is so health risks for yourself and others you come into contact with can be mitigated. Subject to the Illness or Vaccination Status Preventing Travel section above, if you choose to travel without being fully vaccinated, then you do so accepting the implicit risks to your health and you agree to provide us with waivers and releases as we may require.

It is your responsibility to obtain vaccinations and preventative medicines as may be required for the duration of the trip. Any information provided by us is given in good faith. Please consult your GP or Travel Doctor for up-to-date medical advice.

Vaccinations against Yellow Fever are compulsory in East Africa, and many other countries require proof of a valid vaccination card if these countries have been visited or you have been in transit. It is also highly recommended that you take anti-malaria medication.

HEALTH & FITNESS

A minimum level of fitness is required to be able to participate on a Bench Africa tour. In addition, some tours may require you to disclose your body weight. Please check with Bench Africa to ensure that you can meet the relevant requirements. Even if you meet the relevant requirements, this does not mean that the tour is suitable for you and is no substitute for obtaining medical advice.

It is your responsibility to ensure that you have a suitable level of health and fitness to undertake the trip of your choice.

If you suffer from a medical condition which may reasonably be expected to increase your risk of needing medical attention, or which may affect the normal conduct of the trip, then you must advise us at the time you make your booking request.

We may request you to provide an assessment of your medical condition from a qualified medical practitioner. If the assessment indicates that you will require special assistance from personnel which we cannot reasonably provide, then we may cancel your booking. Provided you notified us of your medical condition at the time you made your booking request, we will provide you with a full refund of payments made. If you fail to notify us at that time or if you fail to provide a medical assessment within a reasonable time of our request, then this will be considered a cancellation by you.

We reserve the right to cancel your booking if any changed or non-disclosed medical conditions mean that you will require special assistance which we cannot reasonably provide.

We strongly suggest that your travel insurance policy includes comprehensive cancellation coverage.

AUTHORITY ON TOUR

When joining a group tour, you undertake to conduct yourself in a manner conducive to good group dynamics. If you act in a manner that threatens or disrupts the safety or enjoyment of others on the tour, the tour leader may, acting reasonably, require that you leave the tour. You will be responsible for any additional costs you incur.

MINIMUM NUMBERS

Some trips are based on a minimum number of passengers travelling. We will advise you prior to confirming your booking if this is the case. If a trip fails to satisfy minimum numbers, the trip may be cancelled. If the trip is cancelled, we will at your election refund you all payments made or credit payments towards alternative arrangements. We will not be responsible for any other travel arrangements affected by, or any additional costs incurred, as a result of cancellation.

IMAGE RELEASE

When on tour, we may take photographs or make recordings of you and your activities that identify you. We reserve the right to use any images and/or recordings for promotional and marketing purposes. You consent to this use and acknowledge you will not be entitled to any payment or other compensation. If you do not consent to the use of your image or likeness, please advise us as least 21 days prior to the commencement of your tour.

DIETARY REQUIREMENTS

Special dietary requests are required to be notified to us at the time of booking. Although we will use reasonable endeavours to accommodate requests, we cannot guarantee requests will be met by suppliers. It is your responsibility to check that meals and beverages do not contain any allergens. We expressly disclaim any liability for meals or beverages that contain allergens.

TRAVELLING WITH CHILDREN

Travelling with children under 18 years of age through certain African countries' borders may require further documentation in addition to their valid passport. As requirements can change, please check with Bench Africa. Any information provided by us is given in good faith and may not be relied upon as being accurate and does not constitute formal advice.

LUGGAGE RESTRICTIONS

Luggage restrictions may apply to your Bench Africa tour, in particular to destinations like Kenya, Tanzania and Botswana where safari vehicles or light aircraft are utilised.

INDEPENDENT SERVICES

We are not responsible for any additional activities or excursions which are not included in the booked itinerary or which we sell as agent for the principal operator. Any advice or recommendation made by a guide or local representative does not make us responsible.

ACCEPTANCE OF RISK

You acknowledge that travel involves personal risks which may be greater than those present in your everyday life. This could be as a result of the adventurous nature of your trip or the visiting of destinations which present geographical, political or cultural risks and dangers.

You should consult guidance issued by the Department of Foreign Affairs and Trade (DFAT) applicable to the destinations within your itinerary. You acknowledge that your choice to travel is made having had the benefit of DFAT guidance, and you accept any additional personal risks associated with your travel. To the fullest extent permitted by law, we disclaim any liability for these risks.

RESPONSIBILITY

Services supplied by independent suppliers

Where a third party over whom we have no direct control (Independent Supplier) is the supplier of travel arrangements that form part of your trip, you acknowledge that our obligations to you are limited to taking reasonable steps to select a reputable Independent Supplier and arranging for them to provide those travel arrangements to you. Independent Suppliers over whom we have no direct control include but are not limited to airlines, railway and cruise operators, hoteliers, independent transport companies (i.e., vehicles not operated by us) and common carriers.

To the fullest extent permitted by law, we will not be responsible to you for any loss, damage, personal injury or delay attributable to the actions or omissions of an Independent Supplier. Any claims you have in this regard must be made against the Independent Supplier. You acknowledge that the Independent Supplier's liability to you may be limited by their own terms and conditions. You warrant that you will not bring a claim against Bench Africa in this regard. You are responsible for any loss or expense we incur due to any claim being brought against us in breach of this warranty.

Services we directly supply

To the extent only that we are the principal supplier to you of travel arrangements or other services which we control, then we will provide those travel arrangements and services with reasonable skill and care.

We will only be responsible for our employees in the course of their employment, and for our agents and suppliers (where we are not the supplier's agent or where the supplier is not an Independent Supplier) if they were carrying out the work we had asked them to do.

We will not be responsible for any loss, damage, claim or expense caused by the acts or omissions of yourself, of any other third party not connected with the provision of the travel arrangements or services, or due to an event of Force Majeure.

While we endeavour to meet scheduled arrival and departure times, we cannot guarantee this. We will not be responsible for any loss or additional expenses you incur for any missed connections/services attributable to delays.

General liability limitation

You acknowledge that travel arrangements or services which comply with local laws and regulations will be deemed to have been properly performed, even if this would not be considered the case in Australia.

Australian Consumer Law and corresponding legislation in State jurisdictions in certain circumstances imply mandatory conditions and warranties into consumer contracts ("Consumer Warranties"). These Booking Conditions do not exclude or limit the application of the Consumer Warranties. Other than the Consumer Warranties, Bench Africa disclaim all warranties.

To the fullest extent permitted by law, our maximum liability to you under these Booking Conditions, in tort (including negligence) or at law is limited to arranging for the travel arrangements to be resupplied or payment of the cost of having the travel arrangements resupplied.

We do not accept liability for any injury, damage, loss, delay, change of itinerary when required, additional expense or inconvenience caused directly or indirectly by force majeure or other events which are beyond our control, or which are not preventable by reasonable diligence on our part including, but not limited to war, civil disturbances, fire, floods, unusually severe weather, acts of God, acts of Government or of any other authorities, accidents to, or failure of, machinery or equipment, or industrial action (whether or not involving our employees and even though such actions may be settled by acceding to demands of a labour group).

COMPLAINTS

In the event of a problem with any aspect of your travel arrangements you must tell us or make a Bench Africa representative or our local supplier aware of such problems immediately.

We will only consider and be responsible for claims made against us where we or our suppliers have had the opportunity to put things right on the ground. If you notify us of a problem during travel and we haven't resolved it to your satisfaction, then you must make any claim in writing within 30 days from the end of the services provided by us.

DEEMED ACCEPTANCE

By making a booking request, you are deemed to have agreed and consented to all terms in these Booking Conditions and in any other documents provided to you by Bench Africa or any other person who may have booked the tour on your behalf. If you book on behalf of another party, you represent and warrant to Bench Africa that you are duly authorised to provide the agreement and consent the other party and you agree that you will be responsible for any loss or damage Bench Africa incurs if this is not the case.

GENERAL

The contract between Southern Cross Safaris Pty Ltd trading as Bench Africa and you is governed by the laws of the State of New South Wales. Any disputes shall be dealt with by a court with the appropriate jurisdiction in the State of New South Wales, Australia.

If any provision of these Booking Conditions is found to be unenforceable, then to the extent possible it will be severed without affecting the remaining provisions.
